

Dear Dale,

I have to thank you so much for doing such an incredible job at my Brother's Wedding. You made everyone feel so comfortable and made the rehearsal practice go so smoothly, due to the mix-up on scheduling done by the hall, which caused the Wedding Coordinator not to be there. You took over and calmed my sister-in-law and turned her stress as a Bride to be into a rehearsal full of laughter and happiness. It was so nice you were able to give your time to us and be part of the rehearsal dinner. We felt like you were part of the family. It was such a pleasure having you there.

The day of the Wedding, and what a beautiful day it was, you married my brother Christopher to his lovely bride Kimberly. You made it seem that you've known them forever because you took the time to get to know them. You touched our families and friends. You also made it a point to thank us and compliment our families at the ceremony which meant a lot to us all. As much as you enjoyed spending time with our family we enjoyed just as much you being part of our family that weekend.

Soon you'll be marrying Tommy and me. Only a few months away now. I can only hope to have such a beautiful sunny day as my Brother did. What I do know for sure is that it will be a beautiful ceremony because you will be marrying us.

Thank you so much again for your time, your great energy and the emotion that you put into your work.
